

Project Proposal

About Eden Avenue

Founded in 2019 with a passion for creating beautiful and functional living spaces, Eden Avenue has been transforming homes and offices for five years, delivering exceptional design solutions tailored to each client's unique taste.

Our talented team of interior designers and decorators brings creativity, experience, and expertise, ensuring that each space is not only beautiful but also functional and sustainable.

At Eden Avenue, we prioritize client satisfaction by offering a collaborative process, understanding our clients' visions, and turning them into reality through attention to detail, craftsmanship, and design excellence.

Project Objectives

To create personalized, innovative, and functional interior design solutions that reflect your unique style and needs, transforming your space into an aesthetically-pleasing and practical environment.

To bring you utmost satisfaction by delivering high-quality design services that exceed expectations, fostering a long-term relationship with you through professionalism and creative excellence.

Pricing

Phase I: Site Inspection

- Within Lagos ₦150,000
- South-West ₦400,000
- Other Zones ₦1,500,000

Our team of designers and masons will meet with you to understand your needs, preferences, budget, and project goals, ensuring we have a clear vision for your design.

We will also conduct a thorough site inspection to assess the space, taking precise measurements and evaluating the layout and structural elements.

Finally, we will analyze the existing space to identify opportunities and constraints for your project, ensuring we maximize the design potential.

Pricing

Phase II: Project Design

- ₦60,000 Per Perspective
- Up to Two (2) free edits
- Subsequent edits will be charged at ₦30,000 Per Space

Our team of designers will create design concepts, including sketches, mood boards, and preliminary layouts, to establish the overall vision for your project.

We will develop detailed floor plans that optimize the use of space, ensuring functionality and flow while addressing your requirements.

We will also recommend materials, finishes, and furnishings that align with your design concept and preferences.

The design proposal will be presented to you, along with visuals and descriptions to effectively communicate the overall aesthetic and functionality.

Your feedback will be gathered on the proposed designs and the necessary revisions based on your input will be made.

Finally, we will finalize the schematic design, preparing for the next phases of the project, and obtaining your approval to move forward.

Scope of Work

- Functional Scheme (Basic Maps).
- Conceptual Sketches (2D & 3D).
- Interior Detailed Plans.
 - Interior Sections.

- Interior Rendering.

Pricing

Phase III: Project Execution

- Not yet initiated
- Will commence after the completion of Phase II

This final phase of the project will include the following:

Procurement of Materials:

Source and order materials, coordinating delivery to match the project timeline.

Mobilization of Labor:

Select skilled labor and contractors, setting schedules to ensure smooth project flow.

Site Preparation:

Clear the site, establish safety measures, and set timelines for construction.

Project Implementation:

Begin construction and installation, managing progress through regular site visits and coordinating tasks among trades.

Quality Assurance:

Inspect work at various stages to ensure compliance with design specifications and resolve any issues.

Project Delivery:

Conduct a final walkthrough, address any final adjustments, and hand over the completed project, ensuring client satisfaction.

Terms and Conditions

Payment:

The site inspection fee for Phase I is to be made in full.

Also, the site inspection fee is non-refundable, even if the client cancels the appointment.

We will, however, reschedule the appointment for a date convenient for both parties.

The fee for Phase II is also to be made in full.

For Phase III, an advance payment of 80% of total project cost is required to initiate production .

Client shall make payment within 5 days of invoice otherwise invoice is null and void.

Finally, for Phase IV, a payment of 10% of the total project cost is to be made on the scheduled date for the commencement of the project.

The final 10% of the total project cost is to be made not later than a week before the scheduled date for the project handover.

Late payments of the balance will be billed at N18,000 per month handling fee and 1.5%/Month Interest.

We reserve the rights to halt the project until these conditions are fulfilled at their respective phases.

Post-Production and Retouching:

Project execution and delivery will be done in a timely fashion within the schedule of the contract.

Any additional item or service beyond the scope of the contract will be quoted and treated on a case-by-case basis.

Thank You

Thank you for choosing Eden Avenue. We look forward to bringing your vision to life with our expert design solutions. Your satisfaction is our priority, and we're excited to work with you on creating a space you'll love.
